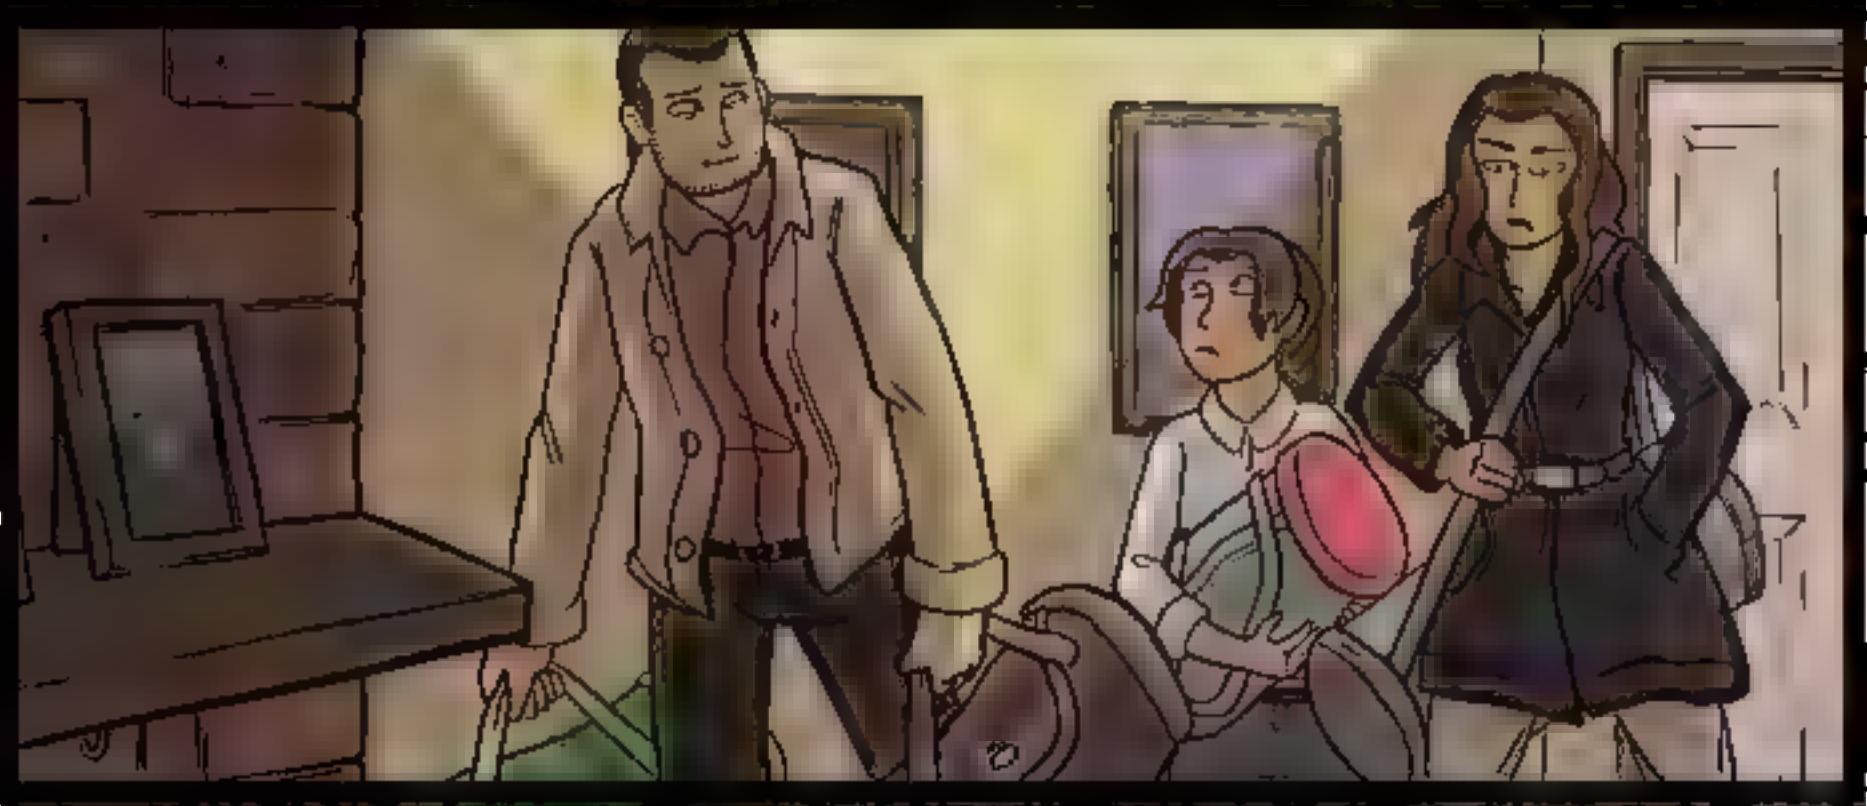
Fall.

What's... what's up? Where'd Alex go?
She has... business in town. Look uh...
Hun, remember what you said about snow?

Well your mom and I were thinking... let's spend the holidays up north
We'll rent a cabin in Oregon, with snow and all that.

Doesn't that sound fun?
Uh. Sure.

Good.
Now pack up.
We're leaving
right away.
FALL



It gets.

A little hazy.
After that.
